2011 Clerk of the Year

Presented by the Ohio Association of Municipal/County Court Clerks

This Clerk has reinvigorated and reinvented the way Clerks around the State of Ohio can network with each other on common problems, stay in touch with the latest legislation, forms and policy changes by organizations that impact us, and the highest practices. The email network and newly revamped website have been great tools that are helping to build our profession and court Clerk's office practices around the state.

Her tireless efforts at helping us communicate and inform our members have also resulted in an increase in membership. She spent considerable time developing a membership recruitment effort targeted to nonmembers and has helped to streamline the membership renewal process. Her ideas have also saved us money on conference and membership mailings. She is a collaborative board member and a valuable asset to our organization.

The 2011 Clerk of the Year Award goes to Debbie Comery. 05/19/2011
